

**WE'RE HIRING!**

---

**Estimator / Price Analyst**

**Job Type: Full Time Maternity Leave Replacement**

Lovepac is an established, dynamic and growing company. We produce custom boxes, foam cushioning, dividers, corrugated pallets, anti-static packaging, custom pallets and crates, and thermal packaging.

Lovepac's historical and future success is based on our collective commitment to our core values: continuous improvement, a positive and collaborative attitude, respect, excellence and sustainability.

The main role is to calculate the selling price of products based on several criteria such as:

The cost of raw materials, production methods, delivery services, margins for each product.

**As a Price Analyst Estimator, your primary responsibilities will be:**

- Create a client file;
- Have a good understanding in the drawings sent by the designers;
- Process requests from representatives and forward submissions to them within a prescribed time frame;
- Create bids via a quotation system;
- Be sure to record each submission in its corresponding project (One Note);
- Update submission data to the computer system;
- Check the quantities entered in the spreadsheet;
- Make price requests, if necessary;
- Ensure good coordination with the entire team (production, purchasing, design...).

## Requirements

- 2-5 years of experience in similar roles;
- A good level of oral and written communication in French and English;
- Sense of responsibility, ability to work in a team and under pressure.

## Benefits

- A stimulating and relaxed work environment;
- A passionate and dynamic team;
- A complete benefits program;
- An Employee Assistance Program (EAP);
- A group RSP;
- Access to our gym;
- Employee referral bonuses;
- Parking on site;
- Casual wear.
- Flexible schedule with the possibility of telecommuting;
- Corporate events.

Employment equity, this employer is committed to the principle of employment equity and applies an equal employment opportunity program for women, aboriginal people, visible minorities, ethnic minorities and people with disabilities.
